

# MOC2025

30<sup>th</sup> Microoptics Conference  
October 12-15, 2025  
LIGHT CUBE Utsunomiya  
Tochigi, Japan

Sponsored by The Japan Society of Applied Physics, Organized by Microoptics Group, JSAP  
In Cooperation with Utsunomiya University

## High School POSTER

### COMPETITION

The 30<sup>th</sup> MICROOPTICS CONFERENCE (MOC2025) will be held at LIGHT CUBE Utsunomiya, Tochigi, Japan from **October 12 - 15, 2025**. The MOC2025 is intended to provide a central forum for updating and reviewing of scientific and technical information covering a wide range of microoptics fields, from fundamental researches to systems and applications.

<https://moc2025.com/>

Adopt poster presentation. The poster presentation focuses on the theme of the “MICROOPTICS and LIVING TECHNOLOGY” or research results on topics related to photonics. The high-school poster session is scheduled on **October 12, 2025**.

#### ◆ Participants:

All senior high school students in the semester of the academic year.

#### ◆ Rules:

- Each student can only submit once. There should be at least one student and a maximum of three students per group (excluding advisors). At least one student from each group presents the poster.
- All students are required to participate in the Photonics Technology Workshop and the Award Ceremony before the conference invited talks.

#### ◆ Registration Date and Poster Format:

Please fill out the registration form and upload the electronic poster

file online by **August 29, 2025**.

- The poster presentation (summary, figures, tables, etc.) should be written in **English**.
- Please refer to the file link below for downloading. The poster size is **A0** (84\*118.9cm).

### International Tutorial Talk

#### Yi-jen Chiu, Professor

Department of Photonics (DOP), National Sun Yat-sen Univ., Taiwan  
Ph.D. ECE, Univ. of California at Santa Barbara  
Fellow of the Taiwan Photonics Society

#### Talk Title

Photonics integration and devices by semiconductor material

#### Toyohiko Yatagai, Professor Emerit.

Utsunomiya Univ., and Tsukuba Univ.  
Honorary Local Steering Committee Chair of MOC2025  
Former President of SPIE

#### Talk Title

The History of Telescopes and Binoculars
